Treasurer's Report

Gary Yeung tabled last year's Income and Expenditure Statement, Balance Sheet and Cash Book Reconciliation. Included in the presentation is also a summary of the Income and Expense since 2000 for comparison. Part of last year's membership fee was used to subsidise the 2009 AGM gathering to encourage attendance. All the other activities were on a self-funded basis. The major recurrence expenses were the registration of the domain name and the hosting of our websites. Last year we also incurred the last 7 years' Incorporation Cost totalling \$477, \$75 for account keeping fees. The balance at the end of the financial year is \$540.63. Gary explained to the members that the majority of the Executives had voted to continue on with the incorporation of the Association, the keeping of the Sloba Bank Account and the hosting of the websites despite the cost involved. As a cost saving measures, it was decided that the 2010 AGM dinner gathering will not be subsidised by the Association. The cost of the auditing of the account had been sponsored by Ben Lau over the years and members are welcome to get a copy of the financial report by emailing the Treasurer.

As a side measure, Gary had set up a group "Sloba Sydney" on Facebook to supplement our website.

Ben Lau declared the 2009 committee be dissolved. The existing committee members received a round of applause from the members for their dedication and commitment to the running of the Association.

Nominations were invited from the floor. The existing committee members, Ben Lau, Augustine Chan, Gary Yeung, Chris Cheng, Harry Tse, Albert Tang, Joseph Chan and new comer, Bernard Wong were elected unopposed.
